

Welcome to AFTER SCHOOL!

*Innovative school-age programs for over 35 years!
Serving Dane, Iowa and Waukesha Counties*

Parents want what is best for their children. They want them to do well in school, to make healthy choices, to be safe, to have good friends, to enjoy their childhood and much more. At AFTER SCHOOL we help parents achieve what is best for their kids.

AFTER SCHOOL is the largest division of Wisconsin Youth Company (WYC). The board of WYC summed up our goals in the mission statement developed in 2008: ***“Wisconsin Youth Company exists so that the children of Wisconsin benefit from communities that nurture them at a sustainable cost.”***

For parents making decisions about their child’s care, leisure time, interests, needs and future, the key word in this statement is “nurture.” For more than 35 years AFTER SCHOOL has nurtured children. In our programs we do the same kinds of things that parents do— play catch with them, worry about them when they don’t feel well, remind them to pick up their stuff and laugh at their “knock knock” jokes. As we do all of this we’re also teaching them about friendship, teamwork, fair play, responsibility and making good choices.

If your child is not enrolled in one of our programs but you are considering it, browse our website and call if you have questions. If your children are already part of the AFTER SCHOOL family we thank you for trusting us with the care of your child. Let us know if there is anything we can do to make your experience or your child’s experience with AFTER SCHOOL better. Together we’re nurturing kids and building a community that supports children. What could be more important?
