SUMMIT VIEW

2011-2012 Programs

AFTER SCHOOL is a program of the Wisconsin Youth Company, Inc., a private, non-profit organization providing programming for children kindergarten age through early adolescence. Participants in the program include boys and girls of all races, ethnic groups, economic situations and abilities.

Site Information & Fee Schedule

AFTER SCHOOL offers a safe, comfortable environment where children can be with friends, share and discover new experiences, exercise their imaginations, and pursue individual interests. Qualified and caring adults, who recognize the individual needs of children and the varied levels of development, administer the programs.

AFTER SCHOOL offers two programs at Summit View Elementary that provide challenging and age appropriate activities. For children in kindergarten through second grade the **AFTER SCHOOL Boost** program offers opportunities beyond traditional after school programming, engaging individual children in new interests and enhanced learning activities. **AFTER SCHOOL Club** programs are specifically designed to meet the needs of children third grade and older.

Both **Boost** and **Club** programs are offered on all school days, Monday through Friday, from 7:00 a.m. until the school day begins, and from school dismissal until 6:00 p.m. Children may be registered to attend **AFTER SCHOOL** on a consistent schedule of one to five days a week. Three, four and five-day enrollments have priority throughout the school year. In order to protect their enrollment, one and two day registrants have the option of increasing their enrollment or withdrawing from the program, should capacity be reached.

On scheduled non-school days, **AFTER SCHOOL** offers all day programs at various locations. Enrollment for all day programs is limited and requires separate registration and fee. All registered families receive fall all day program information and registration materials with their welcome packet mailing. Spring all day program, as well as winter and spring break program, will become available later either through the mail or parent mailboxes at program locations. On scheduled early release school days, no additional fees are charged for students regularly enrolled for that day of the week.

All necessary materials required for **AFTER SCHOOL** registration are enclosed. Separate forms must be completed for each child you wish to enroll. All registrations are processed in the order they are received. Children may begin to attend the program when they receive confirmation of program enrollment.

- Emergency situations.
- Care and supervision for no more than 3 hours a day while the parent is employed on the premises.
- A program provided where the child of a recipient of temporary assistance to needy families, or Wisconsin works, is involved in orientation, enrollment or initial assessment or where parents are provided training or counseling.

Regulations set standards for adequate child care, but they cannot guarantee quality care. That is why parent involvement is so crucial.

WHAT IS QUALITY CHILD CARE?

That question has no easy, quick answer. Evaluating child care may seem an overwhelming task, especially if you are new to child care services. This checklist can help. For a thorough evaluation, go through the entire checklist section by section, or, if you prefer, focus on the parts that seem most important to you.

Caregivers

- Do they genuinely seem to enjoy working with young children?
- Do they seem to be warm, loving people?
- Do they talk with you openly and straightforwardly about their policies?
- What training and experience do they have? Do they receive regular, ongoing job-related training?
- Do they seem to get along well with each other?

Caregiver / Child Interaction

- Do they get down to the child's eye level when talking to or listening to the children?
- Do they encourage the children to express their feelings verbally?
- Do they encourage children to work out negative feelings without hurting others?
- Do they respect individual differences among the children?
- Do the child guidance measures focus on what the child should do rather than what the child should not do?
- Do they set reasonable limits and allow children to make choices when appropriate?
- Do they provide guidance with words, tone of voice and actions that show respect for children? Note: See licensing rules for prohibited punishments.
- Do they show patience by letting children do things for themselves and exert their independence?
- Do the children seem comfortable when talking to the caregivers?
- Do the children seem happily occupied and relaxed?
- Does the ratio of children to caregivers meet state requirements (see next page)?

- Are fire safety and tornado drills practiced?
- Are emergency telephone numbers posted by the telephones?
- Is there adequate heat, ventilation and lighting?
- Are bathrooms clean and sanitary?
- Are footstools in the bathrooms to help young children reach toilets and sinks?

- Is time provided for physical activity and quiet play?
- Is there a nap or rest period?
- Are there structured activities as well as free play when children can choose what to do?
- Are there opportunities for different types of interactions—large group play, small group play, alone time?
- Are there materials for different types of play—drama, music, creative movement, language skills, gross and fine motor skills, art projects, sand and water play?

PROGRAM / ACTIVITIES (continued)

- Are there living plants for children to observe and care for?
- Are there pets in areas of the center accessible to children? Have pets been appropriately vaccinated? Are pets tolerant of children? Is close supervision provided?

- Is this the kind of place you would enjoy spending your day?
- Are the results of the most recent licensing visit posted?

- Are meals and snacks well balanced and wholesome?
- Is the food preparation area clean and sanitary?
- Are menus posted?

IF YOU HAVE QUESTIONS, CONCERNS OR COMPLAINTS

First, talk to your child's caregiver and try to work out your differences. If those attempts fail, and you feel the caregiver is violating a state licensing regulation, contact the appropriate regional office.
