Camp Cubs It Makes "Sense"

Explore your five senses through science experiments and games. Taste test common snacks. Sharpen your observation skills. Participate in blindfold smell tests. There's so much more to life when we use all our senses to see, hear, touch, taste and smell the world around us!

TIGERS Green Thumb

Dig into a whole new world. Explore how things grow from tiny seeds to tall trees and everything in between. Sample some favorite summertime plants like corn on the cob and tomatoes! Discover how plants grow and how people and animals use them. Enjoy nature as you get your hands a little dirty. Roll up your sleeves and join the fun.

EAGLES Trailblazers

Learn the skills of orienteering while you explore the forests of Waukesha. Design a compass course, build a shelter, and play a variety of outdoor games designed to build your trailblazing skills. Discover some amazing views, learn to evaluate the trails and pick your favorites so you can plan a return visit!

CAMP TNT

A teen-focused experience for youth entering fifth through eighth grades. See page 2 for more information.
